

Worthington Energy Fair!

Thomas Worthington
High School
&
Three Worthington Elementary
Schools

Teacher Advisors: Ian Sample, Tom
Williams, & Brian Luthy

Learn

- 60 Thomas Worthington High School students worked with Ohio Energy Project staff to learn 10 energy stations.

Teach

- High School students set up their activities and taught rotating groups of 5th graders at Evening Street Elementary, Bluffsvue Elementary, & Colonial Hills Elementary

Connect

- Learning, and teaching are fun when kids connect, explore, and enjoy science!
