Program Impact

Participating Educators Represented:
- 61 schools in 50 school districts
  - 45% rural districts
  - 17% urban districts
  - 38% suburban districts
- 32 Ohio counties
- 45% of participants teach in a school with 50% or more students with free/reduced lunch

Educator Responses on Post-Program Evaluation

- I will recommend this program to other educators
- I have a better understanding of energy and conservation as a result of this program
- I am more confident in my ability to talk about energy and conservation with others as a result of this program

Funding Partners:
- AEP Ohio
- American Electric Power
- AMP Public Power Partners
- Dayton Power & Light
- Honda of America Mfg.
- Ohio Farm Bureau Foundation
- Ohio’s Electric Cooperatives
- Vectren
- The Ohio State University Office of Energy & Environment

Central Ohio Energy Sources Tour Site Hosts:
- AEP Conesville Power Plant
- Byers Mazda Subaru
- The Energy Cooperative
- Solar Vision & Worthington City Schools
- American Electric Power Transmission Headquarters
- The Ohio State University Office of Energy and Environment
- Rumpke Waste & Recycling Columbus Facility

West Central (Marysville) Ohio Energy Sources Blitz Site Hosts:
- Honda of America, Manufacturing
- Honda Technical Development Center
- Honda Transmission Manufacturing

Real-world application of the science of energy will allow me to bring concepts to life for my students.

Jon Wing, Marysville City School District

I enjoyed hearing about the ties between energy efficiency and energy careers. This took my learning beyond the conceptual to real life applications.

Donya Sutter, Bucyrus City School District

I was impressed with all the ways Ohio companies are strategically implementing environmental stewardship.

Renee Borland, Adena Local School District

I can’t wait to talk about energy career opportunities with my students!

Jessica Spencer, Lima City School District

I really want to open my students’ eyes to energy conservation. I now have new ideas to incorporate into my classroom.

Rebecca Wedertz, North Union Local School District

I can’t wait to talk about energy career opportunities with my students!

Jessica Spencer, Lima City School District
